FACIALS

ACNE-LED FACIAL TREATMENT

80 MIN: \$200

Recommended for mild to moderate acne prone skin types. This facial is effective at reducing the P.acnes bacteria as well as pronounced skin inflammation and redness commonly associated with acne breakouts. This facial contains everything a teen facial includes but also utilizes 20 minutes of LED light. Reduces skin congestion and minimizes oil production. Provides gently yet effective exfoliation allowing for better photon penetration. Improves the overall skin tone, texture and appearance. Provides hydration and protection while increasing moisture.

PROGRESSIVE ACNE PEEL FACIAL TREATMENT

50 MIN: \$125

Recommended for most skin types, a patch test is recommended. This facial treatment is a safe, no down time peel that supports the health of the skin. Recommended every 2 weeks. Removes build-up, reduces skin congestion. Increases cellular turnover. Normalizes oil production and promotes the growth of healthier skin. Improves the overall skin tone, texture and appearance. Provides hydration, protection while increasing moisture.

PROGRESSIVE VITAMIN C PEEL FACIAL

TREATMENT 50 MIN: \$125 50 min

Recommended for most skin types, a patch test is recommended. This facial treatment is a safe, no down time peel that supports the health of the skin. Recommended every 2 weeks. Removes build-up, refines pores and increases cellular turnover. Promotes the growth of healthier skin. Improves the overall skin tone, texture and appearance.

MINI FACIAL TREATMENT

30 MIN: \$25 member / \$59 nonmember

Designed to remove impurities and gently exfoliate dry, dead tissue without harming the surrounding healthy cells. Includes an enzyme cleansing, a nutrient rich mask, a moisturizer and antioxidants to protect against free radical damage. Removes build-up while increasing moisture.

DEEP CLEANSING FACIAL TREATMENT

50 MIN: \$90

Appropriate for all skin types. This facial is effective for rejuvenating dull, lifeless skin. It provides a deep pore cleansing by penetrating deeply into the lower layers and removing dead skin cells. It includes a deep cleansing, extractions and hydrating nutrients to re-energize the skin. Removes build-up, refines pores, and reduces skin congestion. Digests dead skin cells and increases cellular turnover. Normalizes oil production while promoting the growth of healthier skin. Improves the overall skin tone, texture and appearance. Provides hydration and protection while increasing moisture.

MEN'S FACIAL TREATMENT

50 MIN: \$90

Recommended for mature men's skin. This deep pore cleansing treatment provides relief from the harsh effects of shaving, sweating and stress. A deep cleansing combined with extractions precedes a soothing hydrating gel mask. Removes build-up, refines pores Increases cellular turnover. Promoting the growth of healthier skin. Improves the overall skin tone, texture and appearance. Provides hydration and protection while increasing moisture.

SIGNATURE ANTI-AGING FACIAL TREATMENT

50 MIN: \$135

Recommended for most skin types. This facial is an effective anti-aging facial. It incorporates a light exfoliation scrub with LED light therapy treatment and finishing mask. Removes build-up, refines pores. Increases cellular turnover and promotes collagen and elastin formation. Promotes the growth of healthier skin. Improves the overall skin tone, texture and appearance. Provides hydration and protection while increasing moisture.

REGENERATIVE AGE DEFYING FACIAL TREATMENT

80 MIN: \$200

Recommended for mature and photo damaged skin. Includes 2 mask's a peel and LED light therapy. Removes build-up, refines pores. Increases cellular turnover and promotes collagen and elastin formation. Promotes the growth of healthier skin. Improves the overall skin tone, texture and appearance.
